

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

INDEX No. A-17 AM

History of original corner establishment:

This corner was originally established by William E. Campbell, in 1896, under GLO Contract No. 652, Surveyor General Field Notes state:

At the point of intersection, before stated, I set a basalt stone 15x12x5 ins. 10 in. in the ground, for closing cor. of secs. 2 and 3, marked CC on S., with 2 grooves on E and 4 grooves on W faces, from which

7.04'

A Tamarack, 16 in. diam., bears S44°E, 89½ lks. dist., marked T14S R27E S2 BT

A Yellow Fir, 20 ins. diam., bears S14½°W, 47½ lks. dist., marked T14S R27E S3 BT

Description of Corner Evidence Found:

Found 15"x12"x5" stone marked CC lying downhill from it's original hole. Put stone back into hole and it was a good fit. I accept hole as the original position.

Found 1 original bearing tree:

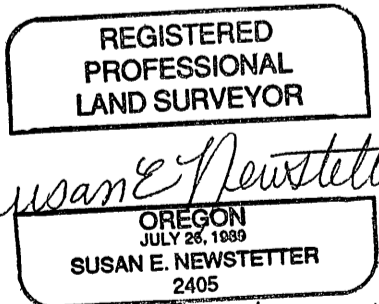

Western Larch Stump, 28" dia., with partial scribing visible, bears S48°55'E, 25.50 ft. (Rec: S44°E, 26.07 ft)

Description of monument and accessories I established to perpetuate the original location of this corner:

Accepted original stone hole and set a 2-1/2"x30" aluminum pipe with 3-1/4" aluminum cap, stamped as shown in the DIAGRAM, 26" in the ground raised a mound of stone around the monument. Buried the original stone north alongside the monument.

Took no bearing trees to this monument.

I find this stone is actually north of the senior line. As per 5-41 (pg 140) of the 1973 BLM Manual, I amended this monument and placed a monument at the true point of intersection on the senior line, which bears S00°12'26"W, 7.04 ft. from this original closing corner. The position of this original closing corner controls parenthical distances to the south.

This work was performed by: Susan E. Newstetter PLS 2405
Witnessed by: Rick Saul, Brad Cates and D.Mitchell Ferguson
August 4, 1993
Refer to Grant Co. Survey No.: 1279

Renewal Date: 12/31/94
