

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

INDEX No. A-19 AM

History of original corner establishment:

This corner was originally established by William E. Campbell, in 1896, under GLO Contract No. 652, Surveyor General Field Notes state:

I re-trav the N. bdy. of sec. 2 and find it to be 80.20 chs long. At 40.10 chs I set an ironstone 15x10x5 ins. 10 ins. in the ground the 1/4 sec. cor south marked 1/4 on S. face, from which

A yellow pine, 20 ins. diam., bears N49 1/2°E, 37 lks dist. marked 1/4 S BT

A yellow pine, 15 ins. diam., bears S39 1/2°E, 40 lks dist. marked 1/4 S BT

10.54' ↑

Description of Corner Evidence Found:

Found a basalt stone 15x10x5 clearly marked 1/4 on the south face, sitting firmly in the ground. I accept the stone's position.

Ponderosa Pine, 18" dia., alive and well, with scribing visible, bears S42°15'E, 10.7 ft. (Rec: S39 1/2°E, 26.40 ft)

I have no explanation for the difference in distance to the BT. I accept the original stone's position.

Description of monument and accessories I established to perpetuate the original location of this corner:

Moving the original stone aside, I set a 2-1/2"x30" aluminum pipe with 3-1/4" aluminum cap, stamped as shown in the DIAGRAM, 26" in the ground and buried the original stone north alongside the monument.

No bearing trees were taken to this monument.

I find this stone is actually south of the senior line. As per 5-41 (pg 140) of the 1973 BLM Manual, I amended this monument and placed a monument at the true point of intersection on the senior line, which bears N00°13'11"E, 10.54 ft. from this original corner. The position of this original corner controls corner placements to the south.
