

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

INDEX No. A-23 AM

History of original corner establishment:

This corner was originally established by William E. Campbell, in 1896, under GLO Contract No. 652, Surveyor General Field Notes state:

I re-trav N. bdy. of Sec. 1 and find it to be 80.42 chs. long; therefore, at 40.21 chs., I set an ironstone 15x12x8 ins. 10 ins. in the ground, for 1/4 sec. cor. south, marked 1/4 on S. face, from which

A yellow fir, 7 ins. diam., bears N58°E, 39 lks. dist. marked 1/4 S BT

A yellow pine, 14 ins. diam., bears S49°W, 74 lks. dist. marked 1/4 S BT

Description of Corner Evidence Found:

Found a stone 15"x14"x10" marked 1/4 on west face and firmly set. Also found a 1939 GLO brass capped monument marked 1/4 S1 lying loose 7 ft. 1939

north of stone. I accept the stone as the original monument. I can find no written record of the GLO perpetuating this corner in 1939.

Found 1 original bearing tree:

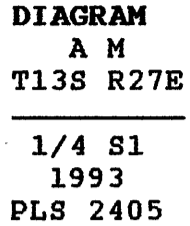

Ponderosa Pine, 22" dia., alive with healed blaze, bears S49°09'W, 47.20 ft. (Rec: S49°W, 48.84 ft.)

Description of monument and accessories I established to perpetuate the original location of this corner:

Moving the original corner stone aside I set a 2-1/2"x30" aluminum pipe with 3-1/4" aluminum cap, stamped as shown in the DIAGRAM, 20" in the ground and raised a mound of earth and stone around the monument. Buried the original stone north alongside the monument. Buried the 1939 GLO brass capped monument north of my monument.

Took no bearing trees to this monument.

I find this stone is actually south of the senior line. As per 5-41 (pg 140) of the 1973 BLM Manual, I amended this monument and placed a monument at the true point of intersection on the senior line, which bears N00°20'19"E, 17.57 ft. from this original corner. The position of this original corner controls corner placements to the south.

17.57' ↑
