Cleared brush and debris from corner and set two new bearing trees as follows:

 A 7" dbh Douglas Fir bears N14°30'E, 32.2,' scribed CW 1/16 S28 BT.  
 The bearings were based on the record bearings to the existing BT's.  
 An aluminum washer stamped RLS 852 is nailed between the letters B and T on each new tree. All the BT's have LSM and BT signs attached.  
 Painted 6" red bands around all the trees and painted the scribe blazes red.
