

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

Z-7

**History of original corner establishment:**

Herman D. Gradon under G.L.O. Contract No. 416, dated Aug. 19, 1881, set a basalt stone 20"x 12"x 3", 15" in the ground. Stone was marked  $\frac{1}{8}$  on north face. He raised a stone mound alongside.

**Description of corner evidence found:**

I did not recover the original corner stone. I established the corner at the north side of a very old rock jack at the intersection of fence lines running to the south, east and west. These fence lines appear to have been maintained in their present location for many years. I accept this point as being the best remaining evidence of the original corner point and believe that this a perpetuation of the original corner by landowners. This position is harmonious with recovered original corners and record topographic calls to the east and west along this township line.

**Description of monument and accessories I established to perpetuate the original location of this corner:**

At the corner point I set a 2 $\frac{1}{2}$ " x 30" alum. pipe with a 2 $\frac{1}{2}$ " alum. cap marked:  
Monument is 16" in ground and surrounded by a mound of stone.  
From the corner:

T8S R32E  
 $\frac{1}{4}$   $\frac{S32}{S5}$   
T9S  
PLS 1832  
1991

- A Ponderosa Pine, 19" dia., S80E, 94.2 ft.; marked:  $\frac{1}{4}$  S5 BT
- A Ponderosa Pine, 12" dia., S64OW, 41.8 ft.; marked:  $\frac{1}{4}$  S5 BT
- A Ponderosa Pine, 9" dia., N29 3/4OW, 52.0 ft.; marked:  $\frac{1}{4}$  S32 BT
- A Ponderosa Pine, 19" dia., N6 $\frac{1}{2}$ OW, 84.4 ft.; marked:  $\frac{1}{4}$  S32 BT

BTs have blaze and a 6" band painted red, BT tags, "Land Survey Monument" signs and alum. "PLS 1832" washers nailed to the bottom of the blaze. There is a 6' steel fence post with a "Land Survey Monument" sign within 5' of the corner.

Measured to center of BTs using steel tape and staff compass. Magnetic declination set at 19°E.
