

**NARRATIVE:**  
 This survey was performed at the request of Jack Young. The purpose of this survey was create two new common boundary lines between portions of the Mr. Young's property and (1) the west line of the Ron Hasher property, and (2) a portion of the north line of The Southern Idaho Corporation of Seventh-Day Adventists property, as shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing controlling monuments. All controlling monuments of Record Survey No. 962 were found in good condition.

New monuments were set at locations approved by Mr. Young and the two other affected land owners.

I found no unusual conditions with this survey.
