Deed Record Instrument No. 940017

NARRATIVE:
This survey was performed at the request of Steve Wolf, acting in behalf of Delores Wolf. The purpose of this survey was to locate the northwest corner of Mrs. Wolf's tract of land as described in Instrument No. 940017, Deed Records, as shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate existing monuments of Record Survey No. 551. We found all the appurtenant controlling iron pin monuments of Survey 551, as shown. I established the NW corner of the subject tract at record position from the other found monuments of said Survey No 551.

I found no unusual conditions during this survey.
