LEGEND

○ Set 5/8"x30" iron pin with attached red plastic cap marked CORNERSTONE SURVEYING, INC.

NARRATIVE:

This survey was performed at the request of Philip Murphy. The purpose of this survey was to survey and monument an adjusted property line.

After searching the available records pertaining to this survey, I found that the SE corner of Section 1 was monumented by the Grant County Surveyor in 1999. I monumented the new property line that Mr. Murphy had chosen and tied this survey to the SE corner of Section 1.
