NARRATIVE

This survey was performed at the request of Philip Merricks. The purpose of this survey was to locate and monument the proposed property boundary adjustment lines shown hereon.

A search was made of the available records pertaining to this survey. Field measurements were made to locate the existing monuments. I accept the found monuments shown hereon. The new property corners were established at locations chosen by Mr. Merricks. The property is described in Instrument No.'s 040093, 060993 and 080823, deeds of Grant County, Oregon.

This survey was performed using a Leica TCR 1101 total station.
