NARRATIVE

The purpose of this map is to show the relationship between the found monument shown at the SE corner of Block 1, Lot 6, Tract A Mountain View Subdivision and a monument which was inadvertently set near the same point. I recorded a re-plot of Block 1, Lots 3, 4 and 5, dated March 2, 2020 and recorded June 8, 2020, which shows the found monument as shown hereon. The iron pin with the blue cap was not supposed to be set. Mike Springer found the iron pin with the blue cap during a survey for the Golf Club and informed me of the discrepancy. I reviewed my survey and agree with Mr. Springer that the new monument was set in error.
