G.L.O. Notes

NARRATIVE: This survey was made at the request of Marshall Gilmore, attorney, acting in behalf of the Grant County Court. The purpose of this survey was to delineate a rock pit site and a gravel stockpile site as shown hereon, for lease purposes. A search was made of the available records pertaining to this survey. Field measurements were made to locate the section corner and the Forest Service road as shown hereon. New monuments were set at locations approved by A.C. Bond, County Roadmaster, and Barbara Morgan, owner of the property. I found no unusual conditions with this survey.
